

K-Love serves us by giving us local and national calendar dates for upcoming events. K-Love gives us a wonderful family broadcast that I never have to worry about my children listening to. I believe that the broadcast of K-Love is in the public interest because of the uplifting music, the pray and values that are shared with their listeners and they give people with no hope or no one to talk to a chance to have someone listen to them and share the love of the Lord and Savior. Restoration of HOPE!!!!
